DANCE ATTIRE

Females:

- Black solid leotard (any style; no designs or colored piping)
- Ballet Pink convertible or full-footed tights (no capri tights)
- Optional – Solid black ballet skirt, black ballet sweater, black leg warmers

Males:

- Solid white or black dance shirt or t-shirt
- Black jazz pants

All students (including boys) are expected to wear the dance attire designated here (also found on the website) for all classes and company rehearsals. Dancers who are new to the studio are expected to meet all dancewear requirements no later than their third lesson to allow for potential delays in stock or shipping. **The shoes listed are what is required for the recital; PLEASE DO NOT waste money buying unapproved items to avoid having to return them or make an additional purchase of the required item(s).**

I do not recommend ordering online, as accurate style and sizing is the responsibility of the parent. The studio is not responsible for order and sizing errors. It is recommended that items be purchased locally at Jete' Dancewear at 4321 Holland Road # 117 (757) 486-5383. Be sure to mention the studio to obtain a discount on your purchase. They are very helpful and are the recommended choice for purchasing shoes, especially if you are new to dance or your child is difficult to size. Bring this sheet with you or ask them to check their book for a copy of this information.

Under Armour* shirts for male students may be found at sporting goods stores like Sport Authority. Sports Authority and several online sites currently offer free shipping on these items. Target also has Champion athletic shirts and a "knock-off" version of Under Armour (I believe it's called Body Gear or something to that effect) in children's sizes for a great price. Please note that this year, all male students are expected to wear black jazz pants. Shorts (in studio approved colors of black, white and/or gray) should only be worn for Hip Hop. Please note: All boys age 12+ must purchase and wear a dance belt to class regularly. Tights are not needed for male dancers.
